PAPA (mother earth)

Written by: Blaine Kamalani Kia

Arrangement: Blaine Kamalani Kia

*Sweet and lovely are her mountains so high
Kiss of her morning sky
Her beauty brightens up my day*

*A tropic blue is her ocean so wide
A dancing sea so alive
Her sandy beaches all of white*

*Papa dreams, her dreams that do come true
Just listen to her spirit as she talks to you
Papa lives, her breath is everywhere, around you
Just feel her love surround you as she greets you too
Papa is like Tutu, she's your mama too*

*Feel her touch, her caressing breeze
Feel so I live and free
Like the forest and her trees
Feel the earth, feel her warm embrace
It's her Hawaiian ways
Fragrant flowers in the leis*

*Papa cares for every leaf and every rock
A mother to the birds and bees and creatures too
Papa sleeps under the moon and the stars
She sings a haunting chant with loving melodies
Papa is like Tutu, she's your mama too*
